Q.2. Number the human growth time line (1 - 7).

/5

The illustration shows a sequence of seven human figures representing different stages of life, arranged from left to right. From left to right: a young boy with arms crossed; a toddler standing; a crawling baby with a pacifier; an elderly man with a long white beard leaning on a cane; a man in a white shirt and tie with arms crossed; a man with a mustache leaning on a cane; and a young man with arms crossed. Below each figure is a small empty square box for numbering.
