Student Name: _____ Date: _____

Colour the rain drops that contain '14' number.

A large orange number '14' is shown on the left. To its right is a grey cloud with a white rain cloud shape inside. Below the cloud are several raindrops, each containing a number. The numbers are: 14, 12, 14, 9, 13, 14, 10, 8, 14, 14, 11, 10, 14, 7, 14, 12, 13, 14, 0, 14, 14, 10, 13, 14, 6, 14.

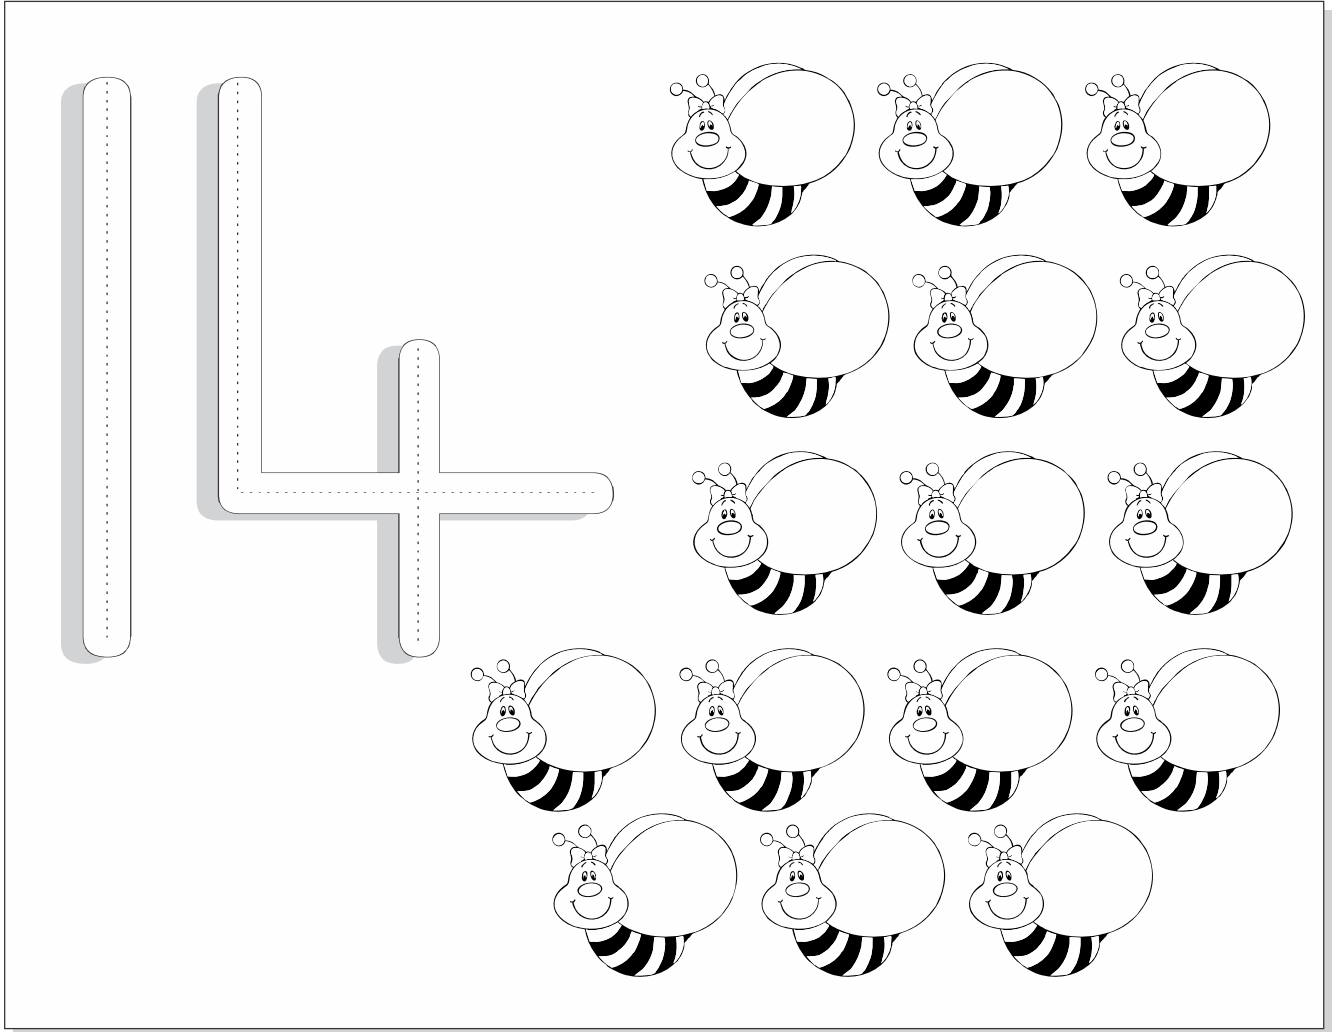

Trace and write number 14:

Tracing practice for the number 14. The first row shows four dashed '14's on a set of three horizontal lines. The second row shows four red dots on a set of three horizontal lines, indicating the starting points for writing the number.

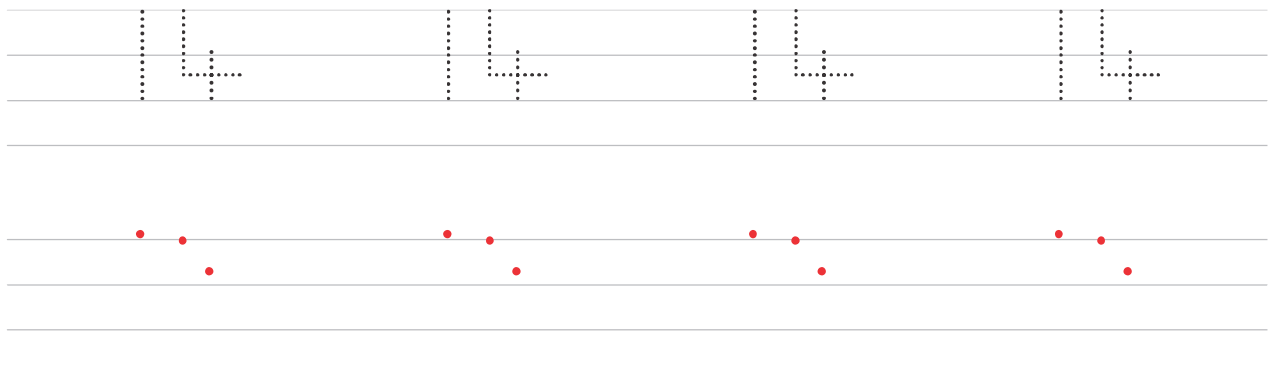

Student Name: _____ Date: _____

Count and colour only 14 honey bees.

A large number '14' is shown on the left, with a dotted line for tracing. To its right is a grid of 14 cartoon bees, arranged in four rows: the first three rows have three bees each, and the fourth row has four bees. Each bee has a striped body and a smiling face.

Trace and write number 14:

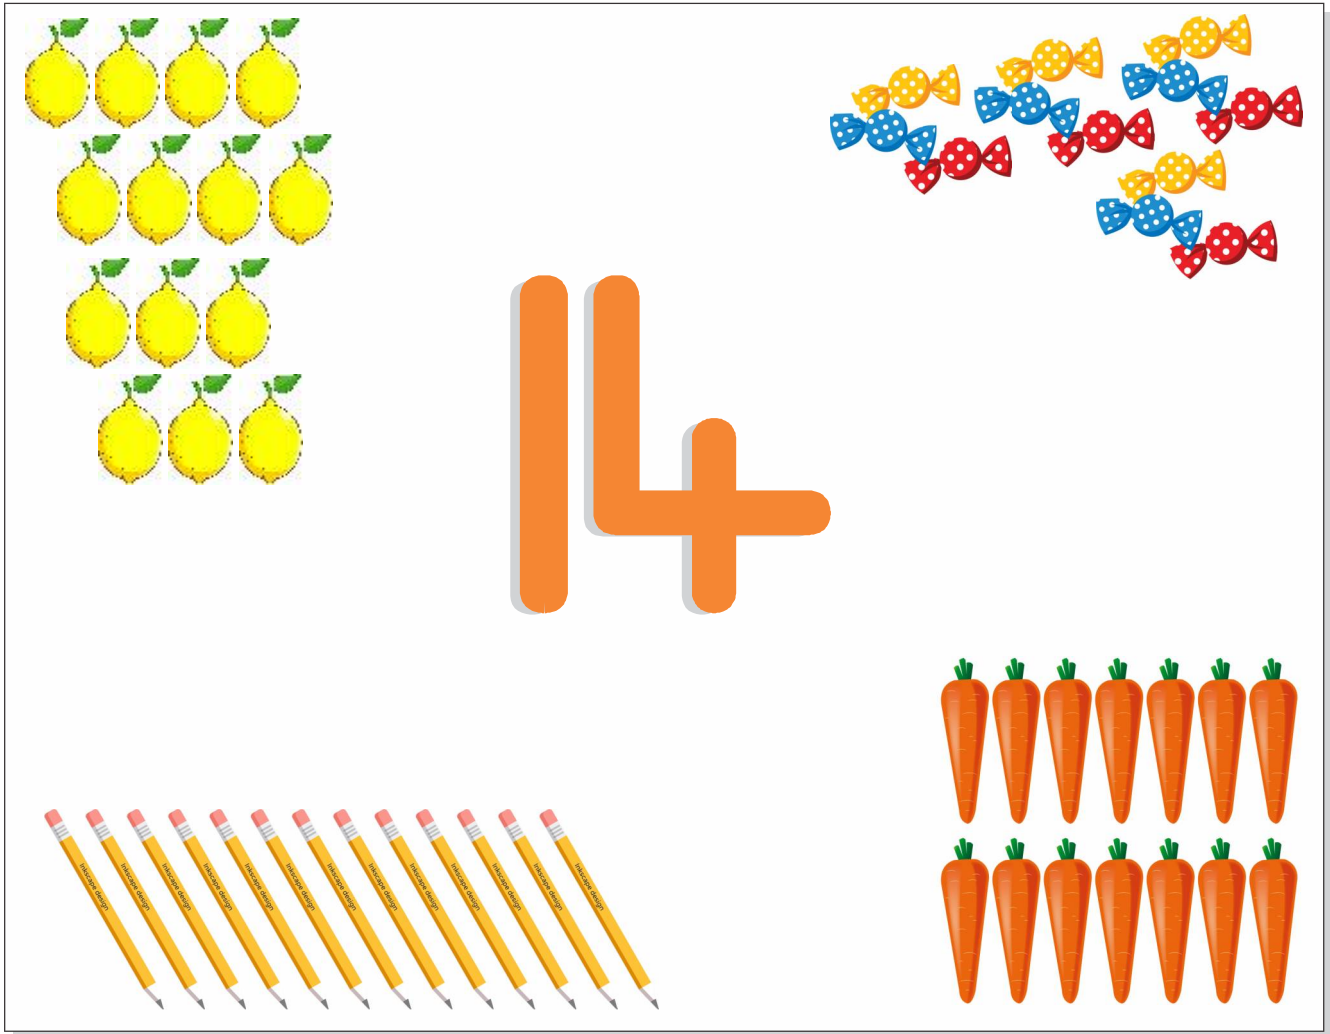

Tracing practice for the number '14'. The first row shows four dotted '14's on a set of three horizontal lines. The second row shows four red dots on the same lines, indicating the starting points for writing the number.

Student Name: _____ Date: _____

Colour the apples and write the number '14'.

The large box contains a tracing guide for the number 14 on the left, showing a vertical line for '1' and a horizontal line for '4' with dotted lines and arrows indicating stroke direction. To the right of the tracing guide are 14 outline drawings of apples arranged in four rows: the first row has 4 apples, the second row has 3 apples, the third row has 4 apples, and the fourth row has 3 apples.

Three sets of handwriting practice lines. Each set consists of three horizontal lines (top, middle, bottom). The first set has red dots on the top line for starting points: two dots for the number 1 and two dots for the number 4. The second set has red dots on the top line for starting points: two dots for the number 1 and two dots for the number 4. The third set has red dots on the top line for starting points: two dots for the number 1 and two dots for the number 4.
