Draw more circles to make it '19'.

A large green number '19' is shown on the left. To its right are 15 empty circles arranged in a pattern that suggests the number '19' is being formed. The circles are arranged in four rows: the top row has 3 circles, the second row has 4 circles, the third row has 3 circles, and the bottom row has 5 circles.

Trace the number '19'.

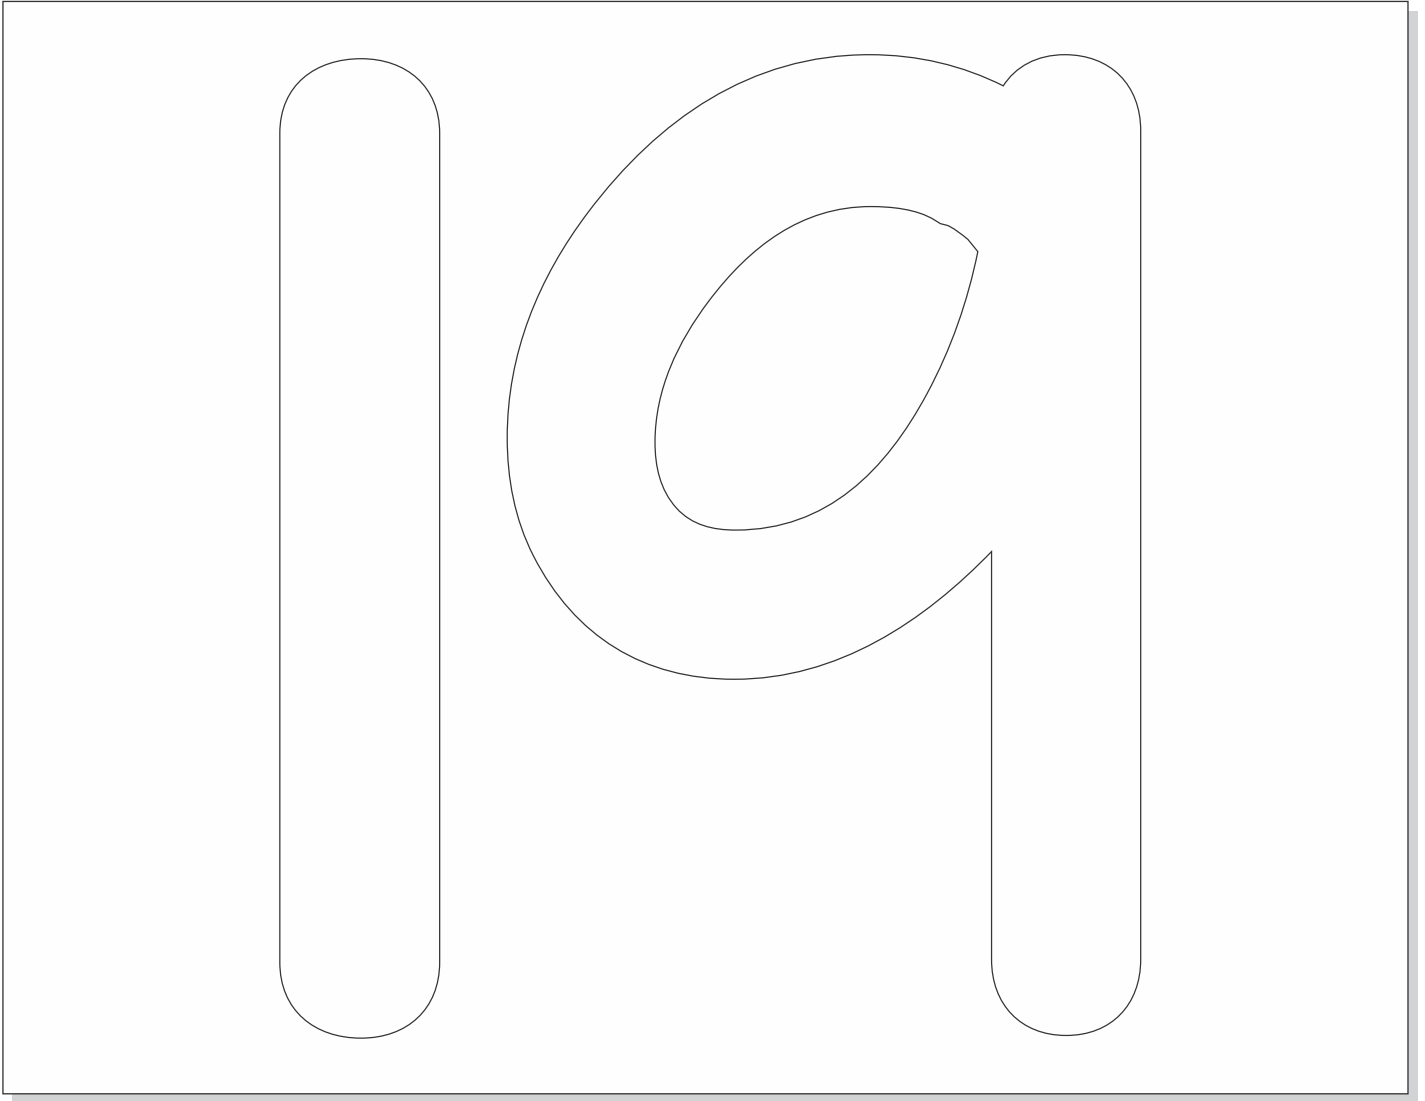

Four sets of horizontal lines for tracing. Each set consists of a top line, a middle dashed line, and a bottom line. The number '19' is drawn with dashed lines on each set of lines, with a vertical dashed line on the left of each '19' to indicate the starting point.

Count and colour the cherries and write the number '19'.

Three sets of handwriting practice lines. Each set consists of a top line, a middle line, and a bottom line. The first two lines of each set have two red dots on the top line, serving as starting points for writing the number 19.
