

Grammar

- Read the paragraph carefully.

It was Saturday at grandma's house. Sana knew that it was the day to make a pie with grandma. She got up and dressed in a hurry so she could pick the best apples from a tree. She helped to peel the apples; while her grandma sliced and chopped the beautiful red apple. Next she kneads flour with milk and baking powder to make a dough. She rolled the dough and put in the pie plate. Then she added some sugar, salt and cinnamon powder on the apples. The house smelled wonderful as pie cooked in the oven.
