Dearest Mother,

Assalam-o-Alaikum! I hope my letter finds you in the very best of health. I have not received any news from you for a long time. I hope everything is alright at home.

Life in the hostel and school is the same as usual. There have been no changes at all this year, except that my old teacher Mrs. Lubna Azam, left for last month. So now I have a new class teacher. Her name is Miss Shazia. She is very good teacher and is knowledgeable about all subjects. She teaches us English literature though.

She is an understanding and kind woman and we go to her with all our problems. She always makes time to talk to us even though work keeps her busy. She coaches us after school too and my grades have gone up with her help. I hope she stays in my school for a long time. I will introduce you to her when you come to visit. Love you and father.

Your Loving daughter,

Sana
