Mathematical	Development Week: 9 Topic: Long & Short Day: 1		Class: Play	y group
Learning	Activity Plan/Methodology	Time:40	Assessment	Resources
Outcomes		minutes	of Learning	
	Recap: Students will be shown different things and asked about size is it big or small?	5 mins		
Upon the	We Are Learning to: Identify and differentiate between long and short.			Flashcards
completion	What I am looking for: How well you identify and differentiate between long and short		Students	
of this	Gained skill: This will help us to improve our fine motor, cognitive, social and visual skills.		will be	
lesson,	Introduction:		assessed on	
Students	Show students how to indicate length with two hands in the air separated by some distance for short,			
will be able	more distance for long. If students have difficulty, help them make the indicated lengths. Sing the Tall	5 mins		
to:	and Short action song to the tune of "Are You Sleeping". This is tall. (Open hands as wide as possible			
	vertically.) This is short (Place hand an inch apart.) Tall and short. (Open hands wide vertically; then,		ldentifying	
ldentify and	bring them close together.) Hotels are tall. (Raise one hand high in the air.) Puppies are short. (Place hand		and	
differentiate	low to the ground.) Tall and short. (Open hands wide vertically then bring them close together.) Encourage		differentiate	
between long	students to mimic the hand motions as you sing. Show the long and short song.		between long	
and short	https://youtu.be/pe7nVxkqSml		and short.	
	Focused task:			
	Using tape, mark 6-7 lines on the floor. Make sure that your paste two tapes of different lengths next to	25 mins		Different
	each other in one line each. Now, ask your student to jump on the longer or shorter tape. For example,			coloured
	for the first line, you can ask them to jump on the tape that is longer in length; for the second line, you			tapes
	can ask them to jump on the tape that is shorter in length, and so on.			
				5 .
	Ask students to open book pg. no 51. Ask them tell the names pictures in that page. Wait for their replies.			Book pg. no
	Ask them there are two caterpillars one is long and one is short. Show different objects to clear the concept			51
	of long & short. Use flash cards to give concept of long & short. Repeat the words long and short again			
	and again with them.			
	Wrap up:	 		
	Ask them to move around in class and tell about short objects.	5 mins		
	Reflection:
